Introduction

It is with great pleasure that I present to the public this fifteenth issue of THE NEW SOCIETY BLUE BOOK.

This work is published for the sole purpose of supplying all social information, such as is desired by the many subscribers in San Francisco and suburban towns.

The Club Lists are composed of only the very prominent Clubs, and the members will find them a great help as reference in their social duties.

The publisher has spared no pains or expense in her endeavor to publish a book beautiful in its simplicity, and yet valuable in information; it is concise in every respect and exclusive in its patronage.

She wishes to extend her grateful thanks to the many subscribers who aided her in presenting this fifteenth issue with unbounded success to the public.

VUITTON

is a name value of unchallenged
prestige—the name of the famous trunk
maker whose products are the supreme
achievement of over seventy years trunk building
experience. Don't miss the chance, when in Europe,
of buying a Vuitton trunk, or getting a Vuitton fitted case
designed under the influence of the delicate French art known
the world over

White Sulphur Springs is Not a Hospital—Not a Sanatorium

But a resort for pleasure and health, 2000 feet high in the Alleghenies. Its great country house, the Greenbrier, is particularly appealing during Fall and Winter months. Open fires, rare social charm, every outdoor sport and exercise. Magnificent Bath Establishment under direction of The White Sulphur Springs Medical Department.

On main line C. & O. Railway. European plan.
Special Table d'hote service during the Fall.

The Ambassador

Los Angeles

Plan to enjoy Southern California's glorious summer climate this year at this world-famous hotel.

CARL VAN VECHTEN

Famous author, writing in *VANITY FAIR*, says:

"The Ambassador is, I should think, one of the very best hotels in the world. The service is superlative, the food divine, the courtesy of management and employees unailing."

In the wide range of its attractions, the Ambassador likewise excels. Superb, 27-acre park, with miniature golf course and open-air plunge. Riding, hunting and all sports, including privileges of Rancho Golf Club. Motion picture theater and 25 smart shops within the hotel. Dancing nightly to the music of the famous Cocoanut Grove orchestra.
